47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

While you are at it, open up the cable lines to competition. Only one cable company in an area is a sham! Comcast is a horrible company. Unless they get some competition, they wont change, The FCC cronies are in bed with the telecom/cable companies. The whole thing is a mess and smells to high heaven.
